About Krishna Enterprises

In Firozabad, a city famous for its exceptionally old legacy in glass craftsmanship, Krishna Enterprises has emerged as an evident provider and seller of momentous glass things. Established in 2023, Krishna Enterprises has in no time changed the glassware business.

Our focal objective is to regard and extend the rich act of glass craftsmanship by making and giving vital dish sets to our regarded clients. We mean to give a decision level of glass things that lift standard experiences with style and quality.

About us

Our glass tumblers are made, and open in various sizes and plans. They are a blend of help and style, sensible for both free and formal occasions. Our stunning glass bowls and sets add a bit of refinement to your table setting while simultaneously being especially wise.

Embracing sufficiency and thriving, our glass milk bottles offer an eco-obliging and bewildering method for serving and dealing with milk, conveying something about your characteristics. We subject our dish sets to serious quality control procedures, ensuring that our clients get things that are solid, safe, and of the best quality.

Our materials are obtained from trusted suppliers, and our social event of capable talented experts ensures that each piece is made with accuracy and care. Oblige us on our outing to remain mindful of the demonstration of glass craftsmanship while meandering into a future where our dish sets graces families and establishments from one side of the world to the other, making life more incredible, rich, and veritable.
