About Lemonx

Company profile

Lemonx started business in 1996 in the field of manufacturing, supplying, and trading a wide range of paper bags. We have become a pioneer in this industry by delivering quality products. We specialise in plain paper bags, printed paper bags, paper cake bags, taffeta carry bags, cotton shopping bags, roto carry bags, plain khadi bags, optical paper bags, white printed paper bags, designer carry bags, and customised paper bags.

Quality products

Lemonx manufactures the products, which are highly cherished across the country for their design, competence, and durable service. We made the bags in customised sizes, colours, sizes, and designs using quality raw materials. We are based in Thane, Maharashtra (India), and deliver all over India.

Our infrastructure

We have the most refined manufacturing unit, which is made with advanced technology machinery that eases us in manufacturing our products. The products are great for vision and are outstanding in quality. We follow the market to organise the latest designs and execute them in our manufacturing process. Our expert team professionally handles the operation procedure and has the skill to work according to the requirements of the client.

Under the guidance of Mr. Prashant Jaisukh Bapat, we have carved a niche as one of the proliferating manufacturers of paper bags and packaging products. We have the calibre to personalise the products considering the clients demand and the ability to undertake bulk orders in order to make and deliver them timely to meet market demand.
