## About Lift Arts

LIFT ARTS Founded in the year 2003, our company LIFT ARTS has gained a reputation as a reliable manufacturer and supplier of lifting slings and safety nettings. Our goal is to provide QUALITY LIFTING PRODUCTS at competitive prices and exceptional service. Our main products are Polyester Webbing Slings, Polyester Round Endless Slings, Polyester Eye To Eye Slings, Multi Leg Polyester Slings, Pipe Line Lifter, Wire rope Slings, Chain Slings, Wire rope Braided Belt Slings and One way lashing for export packaging. We also supply Plate Lifting Clamps, D-shackles, Bow Shackles, Turn Buckles, Chain Pulley Blocks, Wire Clamps and all related lifting tackles and accessories. We are manufacturers of all types of Industrial & Construction Safety Nets, Cargo Nets, Scramble Nets and Wire rope Cargo Nets, Gangway Nets, Helideck Nets and all types of Rope & Webbing made Ladders. Our primary mission is to provide our customers with the highest quality products combined with outstanding service. We not only provide best quality lifting slings but also provide customised solutions for special heavy lifting. Our wide range of Polyester Flat Slings are up to 110 M Ton Capacity while Polyester Round Slings are available up to 300 ton capacity. We also provide ultra high capacity slings up to 500 ton capacity. Ferreterro make Exxtreme slings made of light weight high performance yarn. The core would be made from UHMPE yarn (from DSM Dyneema) and outer cover would be HTPY polyurethane impregnated with heavy duty Ferretexx sleeves for corner protection.
