About Lord Krishna Engg. Works

Lord Krishna Engg. Works is a renowned Manufacturer and Supplier of a wide range of products. Our range of products includes Inspection Gauges, Testing Equipments, CNC Machining Fixtures, Special Purpose Machine, Die Casting Machine Injection System Parts and other consumable Parts, CNC Machining Fixtures with Hydraulic/Manual /Pneumatic clamping, Standard & Special Gauge, Clamping and Accessories, etc. All our products are manufactured as per the industrys specifications using the latest machinery. Our products are tested at all stage of their making right from the procurement of raw material to the finish products and are also assured for their functionality and strength. We use non-corrosive metal for the making of our products, which gives them a long working life. The products are widely acclaimed by our valuable clients for their fine-finish, durability, high tensile strength and corrosion resistance. Our products are known for their accurate measurement. Owing to 6 years of experience in this field, we understand the requirement of our clients is serve them accordingly. Our ethical business practices, on time delivery has made us a widely chosen company across the country.

Lord Krishna Engg. Works

Factsheet

Basic Information

Nature of Business : Manufacturer / Exporter / Supplier / Retailer / Trader / Service Provider

Contact Person : K. D. Upraity

Registered Address : Plot No. 295, Street - 2, Friends Colony, Faridabad, Haryana

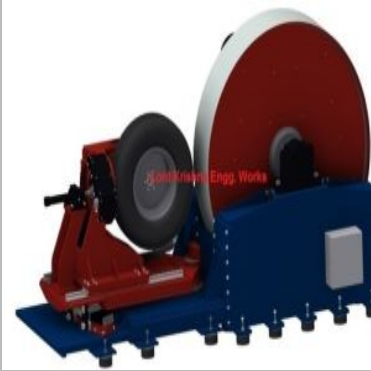

Total Number of Employees : Below 20

Year of Establishment : 2008

Legal Status of Firm : Individual (Sole proprietorship)

Test Rig

Tyre Endurance Test Rig

Test Rig

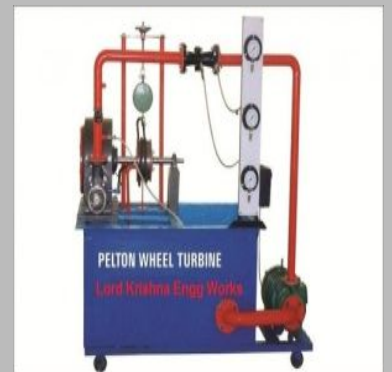

Submersible Pump Test Rig

Shock Absorber Test Rig

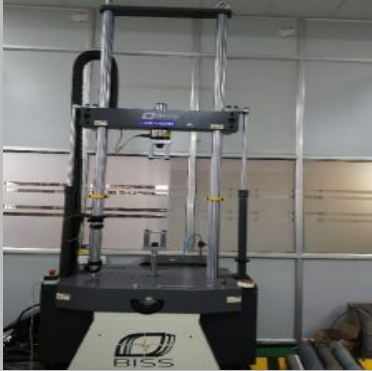

Petrol Engine Test Rig

Pelton Turbine Test Rigs

Testing Equipment

Universa Durability
Tester for Damper

Piston Groove Dia Tester

Gear Roll Tester
(Parkinson Type)

Flexibility Tester

Electrical Switch Tester

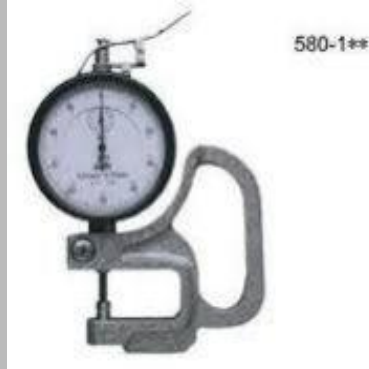

Dial Calibration Tester

Measurement Gauges & Fittings

Thread Gauges

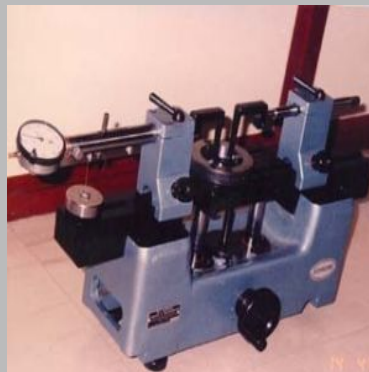

Thickness Gauge

Snap Gauge

Relation Gauges
