About Mangla Handles

Incorporated in the year 1972, Mangla Handles is a reputed business entity based in Delhi (India). The company is engrossed in manufacturing, supplying, and exporting a wide array of handles including powder coated bucket handles, construction bucket handles, loose grip-round edge bucket handles, special red grip bucket handles, domestic bucket handles, oval bucket handles, paint bucket handles, milk container handles, curd container handles, tin container handles, ghee oil container handles, plastic jar handles, kadi handles, drum handles, paint roller handles, solar lamp handles, crate handles, barbed wire handles, cradle iron hangers, cycle basket handles, tub barrel handles, loose grip pail handles, and so on. We also deal in customized options for these products and make them available to our clients at reasonable prices.

We are in this business for 5 decades and have extensive expertise in producing premium quality handles for a diverse range of products. We manufacture our products in our highly productive, advanced manufacturing unit with the assistance of our dexterous workforce. Our team works hard to gain a strong foothold in this domain. Our products are manufactured in compliance with the prevailing industry trends and international quality standards. Thus, the entire product range offered by us is widely used in various industries across the globe.

Our company has a huge and well-built infrastructure that is spread over a large area and installed with all required equipment and tools. This enabled us to carry out all of our business procedures appropriately. Our team of professionals looks after all the business segments including material procurement, production, quality control, sale & marketing, administration, etc. in a proper manner. Furthermore, we have a top-notch distribution network around the world, which make us capable of catering to the needs of our clients not only in India but also in more than 26 countries including Ghana, Mozambique, Nigeria, Saudi Arabia, UAE, Bahrain, Sri Lanka, European countries, etc.
