## About MarkSys Integrators

Marksys Integrators is an esteemed manufacturing company that is operating to bring forth a superior range of industrial machinery and equipment. Based in Aurangabad (Maharashtra), the company is recognized as a reliable manufacturer, exporter, and supplier of different kinds of industrial equipment like engraving and cutting machine, laser chiller, laser cutting machine, laser marking machine, mirror lens, CO2 laser power supply, bamboo, wood engraving machine, power supply unit, laser machine air compressor, medium pressure centrifugal blower, focus lens, and Co2 laser tube. For nearly a decade, we have been making our products available under the Trademark Brand of MarkSys to delight customers with something exceptional in quality and performance. We also specialize in rendering laser engraving service, and we can provide the solution for any Co2 laser engraving & cutting machines, which is starting from 300 x 200mm to 1300 x 2500mm, CO2 laser tubes, double head laser cutting machines, fiber laser metal cutting machines on a Pan India basis. We have the support of a well-qualified technical team along with the residential engineers in every Indian state.

Marksys Integrators was incorporated back in the year 2010 due to the hard work, incessant efforts, and farsightedness of the Director viz., Mr. Naresh Thole (Jain). The company quickly gained fame in the market as the products and services supplied by us are breathtaking and reasonably priced. We have developed worthy tie-ups with some of the famous transportation agencies and export companies in the Middle East, Thailand, Asia, Australia, and Africa.

### Markets Covered

Marksys Integrators has an impressive global presence, as its products have been exported to all major markets of the world. We have been primarily catering the customers all over the USA, Taiwan, China, Korea, Asia, the Middle East, Australia, New Zealand, and many more.
