About Master Health Care

Master Health Care was established in the year 2017 in Himachal Pradesh, India. We are a manufacturer and trader of industrial chemicals, active pharmaceutical ingredients, and a lot more.

Since our establishment, we have been a leader in wholesale industrial chemical and oil distribution. Our extensive experience in these industries stands behind our impeccable service throughout the country.

Whether you are a buyer or distributor, Master Health Care gives you personalized attention and trusted expertise. We're small enough to assure the closest attention and experienced enough to deliver on our word.

Master Health Care is on the cutting edge of new chemical and oil applications. As global chemical and oil distributors, we constantly research the newest and most effective products. This website gives an overview of our most commonly requested and asked-about products. If you prefer a personal approach, our experts are on hand to answer your questions and help you find the chemicals or oils you are looking for. Contact us anytime with comments or questions.

We Work for You

Master Health Care strives to provide superior service regardless of your chemical or oil needs. If you require product storage, we can arrange it. If you need immediate product shipment, we deliver on time. Whatever your chemical or oil needs, we find the best option at the lowest price possible.
