About Maxwell Additives Pvt. Ltd.

Welcome to **Maxwell Additives Pvt. Ltd.** – a pioneering name in the realm of specialty chemicals. With an unwavering commitment to excellence and a customer-centric approach, we have emerged as a trailblazer, boasting a comprehensive product range and over three decades of industry expertise. Over the last **35+ years**, our journey has been marked by innovation, resilience, and a relentless pursuit of delivering high-quality solutions.

Established in **1988**, **Maxwell Additives Private Limited** embarked on its remarkable odyssey from the humble confines of a kitchen. What began as a modest endeavor soon burgeoned into a testament of dedication and vision. Picture this: materials being meticulously crafted in a kitchen and stored in the confines of an almirah in a small house. This was the inception point of our narrative.

Fast forward to today, and Maxwell Additives stands as a beacon of success, boasting three state-of-the-art manufacturing units nestled in and around Vadodara. This strategic expansion has equipped us with a robust annual manufacturing capacity of 4000 metric tons, a testament to our relentless march towards progress.

At the core of our identity lies the principle of continuous growth. It's not just a catchphrase; it's a reality we live and breathe. Our journey is a living testament to the fact that growth is not an endpoint; it's a perpetual journey, and at Maxwell, we are committed to embracing this journey wholeheartedly. Every milestone we achieve, every challenge we conquer, and every innovation we unveil is a testament to this steadfast commitment to growth.

But what truly sets us apart is our customer-centric ethos. Our success story is intricately woven with the trust and faith of our clients. We believe that true partnerships are built on transparency, reliability, and a resolute dedication to understanding and fulfilling the unique needs of each customer. Our proactive approach to customer service has been a cornerstone of our journey, enabling us to forge enduring relationships across the industry spectrum.

As we stride into the future, we carry with us the spirit of innovation, the torch of progress, and the promise to continue exceeding expectations. Maxwell Additives Pvt. Ltd. isn't just a company; it's a legacy of resilience, a testament to the power of vision, and a tribute to the incredible individuals who have been a part of our journey. Join us as we continue to redefine possibilities, break new ground, and script the next chapter of our extraordinary saga.

Contact Person : Mr. Daxesh Soni

Registered Address : E-94, Sardar Industrial Estate, Road No. 2, Vadodara, Gujarat

Total Number of Employees : 150 - 200

Year of Establishment : 1988

Legal Status of Firm : Individual (Sole proprietorship)

Industrial Chemicals

OLKLIN-DS, Descaling
Chemical

Visco Elastic Surfactant
Liquid

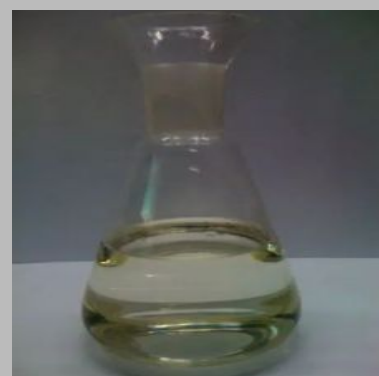

Polyman Hmn 100
Cationic Polyelectrolytes
Powder

Polyman Hmc 233
Cationic Polyelectrolyte
Powder

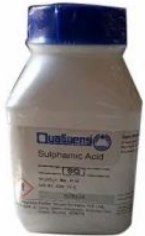

Polyman Hma 279
Polyelectrolytes Powder

Polyman 254 Cationic
Polyelectrolyte Liquid

Catalysts and Absorbents

Sulfamic acid

OLKLIN- ASR

Oxygen Scavenger Powder

Oxygen Scavenger Liquid

Oxygen Scavenger Hydrazine Based

Antiscalants Liquid

Vapor Corrosion Inhibitor

Oil Line Corrosion Inhibitor Liquid

Hydrotesting Corrosion Inhibitor Liquid

Gas Line Corrosion Inhibitor Liquid

Corrosion Inhibitor Acid

Agriculture Corrosion Inhibitors Liquid

PET Granules & Plastic Raw Material

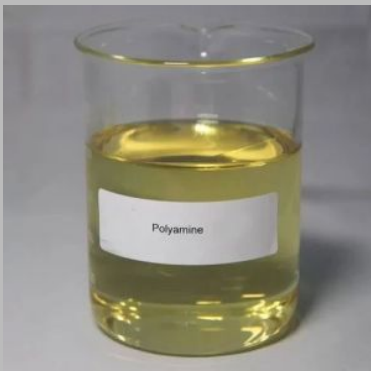

Polyman 4000 Pn Poly Acrylic Acid Liquid Polymer

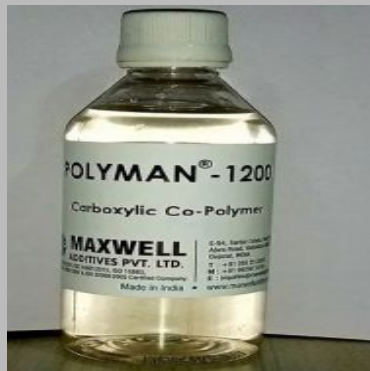

Polyman 4000 Acrylic Homo Liquid Polymer

Polyman 274 Liquid polymer

Polyman 264 Liquid Polymer

Polyman 1200 Carboxylic Co Liquid Polymer
