

We are leading name engaged as Exporter, Supplier, Trader, Distributor, Importer and Service Provider of wide range of Accelerometer, Armoured Cables, Cabling Service, Calibration Equipment and Calibration Services etc...

S908 Smart Vibration Meter

S908i Wireless Vibration Meter

TPI-9070 Pentype Vibration Meter

AVD-80 Digital Vibration Meter

ADL-M-15 Pen Type Vibration Meter

TPI-9071 Smart Vibration Meter

About Mech Tech Global

Mech Tech Global serves a wide network of industries across India and international markets, providing reliable, robust, and cost-effective solutions in mechanical condition monitoring, calibration, and industrial diagnostics.

Domestic (India) We have a strong presence across major industrial regions throughout India, supporting a wide range of manufacturing plants and process industries. Our valued customers include Public Sector Undertakings (PSUs), private industries, research organizations, and testing laboratories, spanning sectors such as power, steel, cement, oil & gas, and automotive manufacturing.

International In addition to our domestic footprint, we cater to global clients through the import and export of advanced industrial instruments and condition monitoring solutions. Our international business network spans the Middle East (UAE, Saudi Arabia, Oman, Qatar), Southeast Asia (Singapore, Malaysia, Indonesia), Africa (Nigeria, Kenya, South Africa), and Europe & North America through select distributors and channel partners. Our growing global presence reflects our commitment to precision, performance, and reliability across industries worldwide.

Industries We Serve Condition monitoring and diagnostic instruments are essential in all industries with rotating, vibrating, or heavy machinery. Key sectors where our products and services play a critical role include:

- Power Plants (Thermal, Hydro, Wind):** Turbines, generators, fans, pumps — Vibration analyzers, accelerometers, bearing condition sensors, oil analysis kits
- Cement Plants:** Kilns, crushers, conveyors, motors — Vibration analyzers, thermography cameras
- Steel / Metal Plants:** Rolling mills, blowers, gearboxes — Vibration meters, ultrasonic leak detectors
- Petrochemical / Refinery:** Compressors, pumps, motors — Portable vibration analyzers, oil analyzers, temperature sensors
- Textile / Paper / Sugar Mills:** Motors, pumps, rollers — Portable vibration meters, alignment Kit

Factsheet

Basic Information

Nature of Business : Exporter / Supplier / Trader / Distributor / Importer / Service Provider

Contact Person : Ms. Sarita Pal

Registered Address : First Floor, X-1070, Street Number 3, Near Shil Mandir, New Chand Mohalla, Gandhi Nagar, New Delhi, East Delhi

Total Number of Employees : 0 - 5

Year of Establishment : 2018

Legal Status of Firm : Individual (Sole proprietorship)

Calibration Services
