About MEDIGLOBAL Suppliers

Mediglobal supplier joined the fast growing pharmaceutical, health care, medical and hospital supplies industry in 2006 with marked impact in both the marketing and distributorship arena. Over the past five years of actively trading globally mediglobal supplier has recorded consistent growth. Our company is situated in the centre place of pune, near mumbai which is largest industrial & economical city of india. Our management with the latest technology and continuously expanding their knowledge base in order to ensure service incomparable to others. This team is responsible for guiding the company through its expansion and product launches and ensuring that the company meets all of its defined business strategies and financial goals. Throughout the past five years we have been able to secure international relations globally in order to provide a more competitive range of products and secure a wider market share. The sales force proudly stands at the forefront of the company, providing a service of the highest quality geared towards effectively meeting the demands of the customers with unrelenting passion and drive for excellence. We continue to work towards establishing mutually profitable relationships with suppliers and customers whilst providing incomparable sales support, a range of high quality products that are affordable to a wide cross section of the market coupled with a commitment of excellent service to all.
