## About Meeraj Industry

Established in the year 2009, Meeraj Industry is an ISO 9001:2015 certified company from Lucknow (Uttar Pradesh, India). We are one stop platform for all of your solar and water treatment solutions. We are a prominent organization involve in manufacturing and supplying world-class products to our clients. Our product range comprises of varied RO Plant, Solar Submersible Pump, Water ATM Machine, Solar Based Mini Over Head Tank and many more. Customers can avail these products at market leading price range throughout India primarily in Uttar Pradesh, Bihar, Madhya Pradesh and Uttarakhand.

Meeraj Industry specialized in Solar water pump, VFD controller water treatment plant and Water chiller. We have the best and most reliable solar products and water treatment technology in the industry with various National bodies certifying, accrediting and approving our products and company. This is also the reason that our systems deliver the best energy output for the same rating of solar capacity.

Being a legit manufacturer in the industry, we, at Meeraj Industry are the most efficient and with highest quality. Being an integrated player, we take design, engineering, manufacturing, supply, installation and commissioning very seriously delivering a superior customer experience. Our detailed orientation is also reflected in project execution and exceptional performance record.

Meeraj industry offers a range of solar solutions that include power plants, rooftop and captive power systems, solar lighting solutions, pumping solutions, water treatment water chilling units etc. Our team believes in carefully analyzing each project requirement and then providing the most appropriate solution in the interest of the customer.

The company was founded by Mr. Ajay Kumar. Due to his ethical business practises and transparent dealing culture with the customers have brought us at the position where we are reckoned as one of the prime manufacturers of the listed products in this domain.
