About Meez India

Meez India is partnered with many renowned brands in the various IT industries including PVC Smart Card Printers, RFID products, PVC Cards, Card Printer Consumables, Barcode Printers & Scanners, Pre-Printed Cards, etc. Apart from the trading in multiple IT Products for many brands MEEZ INDIA is having in-house manufacturing & Assembling of all kinds of Kiosk Systems from a simple information kiosk to complex transactional kiosks. Selling & trading kiosk spare parts to other manufacturers and system integrators for their own uses eg. All sizes of touch screens starting from 15" to 65" in PCAP Capacitive touch technology available to sell & trade, Cash/Coin acceptors, Card Acceptors/Dispensers, Dot Matrix/Thermal Printers, Sensors also available. We are having an in-house software development team for developing software development for kiosk systems, digital signage, etc. We also do RFID & Kiosk based customized projects for many of our customers specifically in eastern India.

We are recognized among our clients for providing specialized plastic card services to our valued clients. Our new and innovative products are known for their quality, capacity and delivery values.

OUR MISSION

Enhancing our Clients operational efficiency & organizational security

OUR VISION

To grow on the strengths and core competencies of the organization and be truly a market leader in the IT Industry

OUR BUSINESS STRATEGY

Ultimately our strategy is all about creating an organization of effective business people, where everybody thinks about the future, everybody amazes customers, and everybody manages the bottom line

OUR CORE VALUES

Our core values are centered on maintaining the highest ethical standards and best practices in our industry. We ensure that all transactions are win-win and keep in mind the best interests of the customer at all times. We always make commitments that are realistic and seek to exceed the service expectations of our customers and remain committed in building our business with integrity.
