## About My Farm

Welcome to our company, My Farm a leading trader of high-quality agro products and seeds. We offer a wide range of products to suit various needs and preferences, from beautiful cups and pots to premium quality agro seeds. Our company was founded with a passion for providing high-quality agro products to our customers. We work closely with manufacturers and growers to ensure that our products are of the highest quality.

### Our establishment

We started our business in the year 2019 from Vadodara, Gujarat with a vision to provide eco-friendly products. Under the supervision of our proprietor Mr. B K KAZI , we are growing day by day.

### Our product range

Our product range includes a variety of agro products, such as Cocopeat Coins, and Coir Pot Combo Kit, among others. We offer a range of designs and materials, ensuring that our customers can find products that suit their needs and preferences. Additionally, we provide high-quality agro seeds like Basil Seeds and Sunflower Seeds to our customers, including vegetable seeds, flower seeds, and more.

### Why us?

Supplying best quality products

Fast experience in agro-products trading

Trusted and legally approved certified services

Commitment and time adherence

Innovation in packaging

Timely delivery of the consignment anywhere in the country
