About NAMAMI MULTIPACK

Namami Multipack was established in **2020** in **Khambha-Rajkot, India**, leveraging the enriched experience of Eagle Polymers, a film line **manufacturer** since **2010**. At Namami Multipack, we prioritize being driven by values and believe in conducting a value-based business rather than a profit-based one.

We are renowned as a prominent **manufacturer** of a comprehensive assortment of Multi layer barrier films. Our product range includes Nylon Vacuum Packaging Bags, Vacuum flexi pouches, Barrier Oil Packaging Films, High Barrier Lamination Films,. These products are manufactured using the highest quality raw materials and advanced technology.

In addition, our products are meticulously designed with precision to meet industry standards. We subject them to rigorous testing on various parameters to ensure flawlessness. Our esteemed clients widely acknowledge these products for their excellent performance, high strength, dimensional accuracy, and durability. Furthermore, we offer our valued clients a wide range of customization options at affordable prices.

Our ethical business practices and our client- and quality-conscious approach have positioned us as the preferred choice among clients. We also provide our clients with customization facilities tailored to their exact requirements.

OUR MISSION

Our mission is to become the market leader in our segment by providing innovative solutions to our customers, generating the best returns in the industry, and creating the best work environment for our employees. We aim to build long-term relationships with our customers and clients by providing services that drive business through trust, honesty, and innovation.

OUR VISION

Our vision is to enrich people's lives by providing access to
