About Namra Furniture House

Namra Furniture House was established in 2005 in Saharanpur, Uttar Pradesh with the single aim to deliver quality wooden furniture. We are a brand that is experienced in supplying numerous wooden furniture. We deal in wooden beds, sofa sets, wooden doors etc.

Our products are famous across the globe due to their extraordinary looks and functions. This is because we only use superior quality teak wood and other woods to make our products. Our well-developed business approach helps us create unique goodwill. Millions of clients adore us for our supreme quality products and incredible services.

Company Mission

Our only motive is to offer the best quality wooden products across India. Being a well-reputed company, we are proud of our eco-friendly approach to sourcing wood. We mostly tie up with local farmers to assure that the wood we utilise is grown sustainably. This makes our products reach their highest quality. Our products are famous because they have the least bad impact on our nature.

All our products are quality checked to ensure quality. As a leading name in this niche, we assign highly trained experts to our team. All our staff possess rich industry experience in this sector. This is why we are one of the well-recognised and most trusted manufacturers. From selecting the right wood type to offering advice on the installation process, we are always here to help you.

Wherever you are a homeowner or a business person, we have the right products for you. Hence contact Namra Furniture House to get a full inventory of our product range online.
