## About Nandi Industry

Established in the year 2020, Nandi Industries is one of the leading Manufacturers, Suppliers and Traders of a wide range of products gate fibre sheets, plain fibre sheets and much more. The products are designed as per the industrial requirements.

Our range is durable, efficient, rust proof and is available in different sizes. These are widely used in various industries such as the automotive industry, appliance industry, electrical industry, and chemical industry.

Our strong infrastructure facilities comprising advanced production machinery allow us to successfully meet our production targets. We pay supreme importance to the quality of our products and ensure that they meet the existing international standards in terms of quality, functionality, and durability.

### Our Team

We are supported by a team of dedicated, experienced and skilled professionals who have in-depth knowledge of the concerned processes. They are devoted to delivering a qualitative range to the global market and thus assure complete client satisfaction. Their endeavour to deliver excellent range has helped us to steadily climb the ladder of success.

Our team of engineers and technicians are engaged in creating innovative designs for our range. Quality controllers are responsible for checking every production process very carefully so that a flawless range is offered in the global market. We also provide regular training to our team to improvise the fabrication of our range. Owing to the complete efforts of our team, we have carved a niche in the market.
