## About National Research Laboratory

National Research Laboratory is serving as a manufacturer, exporter and supplier in the market with a great passion for the finest grade of beauty products like Hair Lotion, Face Wash, Soap, Aloe Vera Skin Gel and many more products. We acquire the entire range of raw materials from dependable vendors. They use first-grade vital elements and innovative agricultural practices to validate the most excellent quality. We consume food-grade packaging to pack the whole range to keep the taste intact for a longer duration.

### Establishment

Working under the valued guidance of our supervisor, Mr Rohul Amin, and by following his valued instructions, we have established a momentous reput. He displays us to work for customer completion by delivering them with extreme outstanding products and matchless services.

Established in the year 2002, we have been reliably working hard and fulfilling the demands of our customers. We have a well-maintained warehouse where production is finished with the highest care and hygiene.

### Quality Control

We have a team of expert quality control officers, who hold years of experience in the area of handling herbal products. They accentuate classifying even minor flaws and other faultiness while supervision our hygienic and healthy products.

### Why Choose Us?

Huge in-house capability to meet the bulk demand

Follow clean and organic techniques

Timely delivery at the market-leading cost

Applied global standards of quality

Practice transparency in business
