About Njplasma Traders

Jewellery holds a special place in women's wardrobes. No outfit would be complete without the addition of jewellery for the best overall look. Today, modern jewellery pieces can be customised as per customer requirements and budget. The beauty of modern jewellery is its impeccable and unique designs and flawless finishing. A high-quality jewellery piece is a work of art.

Njplasma Traders is a creative and upcoming business venture dealing in exquisite high-class jewellery pieces. We are a manufacturer and supplier of varying types of jewellery pieces for festive and everyday use. Our company takes pride in our signature and one-of-a-kind jewellery pieces that are renowned for product quality, purity and designs. Our customer service is diverse and available 24/7 for our customers.

Our collection

Njplasma Traders is home to custom and breathtaking antique and modern jewellery pieces. Our product collection contains rings, necklace sets, pendants, mangal sutra, earrings and bangles. Our jewellery designs are a mix of contemporary and traditional designs to cater to customers from all different walks of life.

Our experienced team are forever in- pursuit of innovative jewellery designs and churn-out jewellery pieces that present emotions, moods and functionality. Our company deals in all different types of jewellery pieces like gold, silver and imitation. Our creative pursuits allow us to experiment with jewellery designs and shapes to bring- out new jewellery pieces that become trends.
