

We are leading name engaged as Manufacturer, Exporter, Supplier, Retailer, Trader and Buying House of wide range of CNC and Lathe Machinery, Conventional Lathe Machine, Facing Lathe & Big Bore Lathe Machine, Gear Head Lathe Machine and Grinding Machine etc...

6 Feet Export Model
Heavy Duty Lathe
Machine

9 Feet Cone Pulley Belt
Driven Lathe Machine

8 Feet Automatic Heavy
Duty Lathe Machine

8 Feet Big Bore Heavy
Duty Lathe Machine

9 Feet Heavy Duty Cone
Pulley Belt Driven Lathe
Machine

10 Feet Heavy Duty
Lathe Machine

About Om International Machine Tools

Om international is a renowned manufacturer, exporter, importer and supplier of Lathe machine, Light duty Lathe machine, Medium Duty Lathe Machine, Heavy Duty Lathe Machine, Roll Turing Lathe Machine, Industrial Lathe Machine, All geared lathe machine, boring machine, planner machine, Plano miller machine, shaping machine, Shaper Machine, drilling machine, Pillar Drill Machine, Bench Drill Machine, Radial Drill Machine, Double Column Radial Drill Machine, All Geared Radial Drill Machine, milling machine, Universal milling Machine, Vertical Milling machine, All Geared Milling Machine, slotting machines, hydraulic press machine, power press machines, hydraulic hacksaw machine, band saw machines & Surface Grinding Machine. We have the experience and engineering expertise of manufacturing machines and equipment for steel rolling mills, paper mills, sugar mills and forging units. Designed as per industry standards, our range of lathe machines, drilling machines, all geared lathe machine, boring machine and milling machine are known for its robust construction, corrosion resistance and high performance quality is our trademark and we make sure that it is maintained at each level of production process. We undertake rigorous measures while fabricating our range of machines so as to ensure that it corresponds with international standards. Further, we have facilitated our manufacturing unit with technically sound lathe machine and equipment that enables us to manufacture machines with utmost precision. Our company is spearheaded by the next generation entrepreneur mr. Gourav arora, who has a rich industry experience in the domain. His persevering nature, sharp business acumen and enthusiastic motivation have enabled us to carve a niche in the industry we have well established infrastructure that enables us to carry out our business operations effectively. Located at batala in the state of punjab (india), our manufacturing unit covers huge area. These streamlined facilities with latest technology set up enables us to manufacture machines within shortest time frame. Moreover, we also have state-of-the-art testing facilities to ensure quality and performance of the machines from time to time. This reduces the risk of errors and timely deliveries on our part thus leading to maximum client satisfaction. Since our establishment, we have laid great emphasis on quality. We implement a well defined quality management system (qms) that forms an essential part of every operation. The quality assurance division is managed by highly qualified professionals, who work towards maintaining international standards in our range of machines. They undertake stringent measures at each stage of the production process, so that no compromise is made on the quality. Further, our quality control professionals test the range on the below mentioned parameters so that only optimum range is delivered at the clients end. We have been able to garner a huge client base in nepal, uae, kenya, bangladesh and uganda and also in some countries of east asia and south africa, owing to our quality range and client centric operations. Our rich industry experience and efficient workforce allow us to cater to the specific requirements of our valued clients. Further, we are also assisted by a state-of-the-art infrastructure that is facilitated with hi-tech machines and equipment. This enables us to provide a superior range that caters to the requirements of steel rolling mills, paper mills, electronic and automobile industries, sugar mill, railway, forging units, cement industries,

workshop, pneumatic units. Moreover, our ethical business policies, timely delivery and competitive prices have helped us to gain the trust of our clients based across the globe.

Factsheet

Basic Information

Nature of Business : Manufacturer / Exporter / Supplier / Retailer / Trader / Buying House

Contact Person : Gourav Arora

Registered Address : G.T. Road, Shine Star Wali Gali,, Batala, Punjab

Total Number of Employees : 21 - 50

Year of Establishment : 2012

Legal Status of Firm : Individual (Sole proprietorship)

Plummer Blocks

S Series - S 522
