About OM Sai Ip Solutions

Om Sai IP Solutions, founded in **2018** by **Mr. Mohit Kumar Gupta**, is a distinguished **supplier and trader** based in **Kanpur, Uttar Pradesh**. Specializing in advanced printing and packaging solutions, our company is committed to delivering high-quality products that meet the diverse needs of our clients.

We offer a comprehensive range of inkjet printers, including continuous inkjet printers, small character inkjet printers, and online thermal inkjet printers. These machines are designed to provide precise and efficient printing, ensuring seamless operation in various industrial applications.

Our product portfolio also includes batch printing machines, with options like handheld batch printing machines and MRP batch printing machines, catering to businesses that require accurate and reliable batch coding. Additionally, we supply handy inkjet coding machines, ideal for on-the-go printing tasks, and Cyklop label printers, which are renowned for their durability and exceptional performance in label printing.

To complement our printing solutions, we provide strapping machines that ensure secure packaging, enhancing the overall efficiency of the production process. We also offer a variety of inkjet printer inks, ensuring that our clients have access to high-quality consumables that guarantee optimal printing results.

At Om Sai IP Solutions, we pride ourselves on our customer-centric approach, striving to understand and fulfill the unique requirements of each client. Our dedication to quality, innovation, and service excellence has established us as a trusted partner in the industry. Under the visionary leadership of **Mr. Mohit Kumar Gupta**, we continue to expand our reach and enhance our offerings, driving growth and success for our clients and our company.
