About P. K. Enterprises

With a wealthy legacy of 19 years, P. K. Enterprises has made a checked effect within the Oil manufacturingmarket all-inclusive and has won the belief of millions.

In 2005, Mr. Puneet Kumar Gadodia set up P. K. Enterprises and began providing engine oil to producers and dealers. The company has paved the way within the oil division ever since, spearheading technologies, breakthrough development, and high-quality products and services. The company's uncounted days of challenging work and attempts have developed exceedingly engineeringproducts.

Our Intention

We may have set the guidelines with our 19-year solid legacy within the lubricant segment. Be that as it may, we still keep up a trailblazing brand's energetic and new approach. We go the additional mile to motivate devotion and belief, and as the world progresses, we are adaptable and driven to adjust and outflank.

We proposed our aspirations to drive us to be recorded among the foremost prevalent and solid car bike oil merchants. P. K. Enterprises has developed by actualising important client value recommendations, improving imaginative items, and developing specialised solutions. The company has also pointed to double manufacturing, marketing, and deals, making business for the youthful era.

Our Aim

We aim to realise this with adaptability, unwavering quality, and responsiveness while solidly meeting our customers' needs.

We strive to nurture the enthusiasm of our workforce and develop the company's ability. We guarantee social obligation, both to society and the world. We offer our clients the highest-quality products and services by continually centring on our three centre values: quality, continuance, and energy.
