About Tamanna Industries

Established in 1999, Tamanna Industries, situated in Pali, Rajasthan, has emerged as a prominent figure in the field of herbal products. As a distinguished manufacturer, exporter, and supplier, the company is dedicated to delivering a range of high-quality herbal powders and botanical extracts to a global clientele.

Under the astute leadership of Mr. Rakesh, the Owner of Tamanna Industries, the company has become synonymous with excellence and authenticity in the herbal industry. With over two decades of expertise, Tamanna Industries has established itself as a reliable source for natural and sustainable products.

Tamanna Industries specializes in the production of Herbal Powders, offering a diverse array of botanical extracts that harness the therapeutic properties of nature. Additionally, the company supplies Henna Leaves, recognized for their traditional use in natural hair coloring and conditioning. The product line also includes Dry Orange Peel, known for its aromatic and culinary applications, as well as Dry Soapnut, a natural cleanser with eco-friendly properties. Henna Seeds, another offering from Tamanna Industries, add to the comprehensive range of herbal solutions provided by the company.

Quality is at the forefront of Tamanna Industries' operations, with a commitment to ensuring that each product meets rigorous standards. The company's dedication to sustainable practices and ethical sourcing further reinforces its position as a responsible player in the herbal products market.

Tamanna Industries takes pride in its heritage, blending traditional wisdom with modern manufacturing practices to offer customers premium herbal products. With a global outlook, the company continues to make strides in the industry, providing clients with natural solutions that reflect the richness and purity of Rajasthan's herbal treasures.
