About Panghal industries

Panghal Industry proudly presents itself as a young and committed organization from Bhiwani (Haryana) that is engaged in the production of a wide range of tools for the construction industry. The company serves as the foremost manufacturer and supplier of a premium range of Plastering Trowel, Putty Knife, and Wooden Handle Gurumala. Since our construction tools are made using finest grade metal and wooden material, they are highly durable and thus are preferred by masons and skilled/semi-skilled manpower. All our products and services comply with the highest standards of quality and performance, and thus immensely demanded by the buyers.

Established in the year 2019, Panghal Industry has been delighting buyers with its matchless products by fulfilling its requirements for a number of construction tools. Under the astute guidance of the company Owner i.e. Mr. Jagmeet Panghal, Panghal Industry has been working for perfection and the complete satisfaction of the patrons.

Manufacturing Facility

The company is well equipped with advanced equipment and tools that enhance its capability of producing high-quality products. Today's, we have impressive annual production capacity, due to which we are able to suffice buyers demands with ease. We also have plans to multiply our production capacity manifold in the upcoming years.

Why Us

Our commitment to customer satisfaction has attracted clients from different parts of the nation. A number of customers trust our name due to the following reasons:

Impressive manufacturing facility Highly durable product Vast vendor base Ethical business policies Adroit team of professionals Prompt Delivery Affordable price range Customization facility
