## About Papers Plazza

Our Company, Papers Plazza, incepted in the year 2003, is popular for its quality paper stationery products. We manufacture a wide range of school & college related stationery and office stationery including notebooks, long books, practical books, project sheets, hard-bound long books, lesson diaries, duplicate books, writing pads, spiral pads, conference pads, files, receipt books, voucher books, order estimate books, cash credit memos, and many more. All the products that we offer are available with premium grade paper and covers with different designs. From our main head office in Ahmedabad (Gujarat), we conduct our business operations and serve Indian and overseas markets. We mainly export our products to Africa and USA. Since our inception, we have given our best and will continue to do the same so that we can make the customers satisfied and offer the right value for their money. We own a state-of-the-art manufacturing unit that enables us to produce supreme-quality products in large quantities within the allotted timeline. Our product line is manufactured using advanced machines installed in our manufacturing facility which makes them of the best category as well as cost-effective. The finished products are checked strictly on various parameters so that only products with no manufacturing defects are delivered to our valued customers. It is because of our qualitative product range developed using modern techniques that we have been able to become the prime supplier of worldwide customers. With the assistance of our dedicated and skilled professionals, we provide our products in both standards as well as customized options to satisfy the varied taste and needs of our customers. Everything in our business is taken care of by our professional team.

By offering unmatched quality products at reasonable prices, maintaining transparency in our deals, and making prompt deliver
