About Parastin Group

Established in 2020, we Parastin Group based in Lucknow, are among the topmost manufacturers, exporters and suppliers of Boswellia Serrata Extract, Curcuma long extract, Shilajit extract and much more. We have a wide range of products that are contained from trusted dealers and vendors and are used to process the products that we supply.

The offered herbal extract and enzyme range is available with us with tamper-proof packaging owing to our ultra-modern packaging unit. Owing to their enhanced shelf life, these products are highly demanded in the market. Available with us in bulk quantities, these products are highly appreciated among our customers and clients.

By using ultra-modern, sophisticated, state of the art processing equipment, we have gained a commendable position. The optimum quality of the offered herbal extract is maintained through different quality assurance tests.

Under the guidance of experts, we have been able to cater for a huge clientele across the globe. They, with their experience, knowledge and skills, have helped us in winning the trust of our valuable customers most efficiently.

Our Infrastructure

Since the inception of our company, we have been backed by an advanced infrastructure that is spread over a vast area. To ensure a smooth operation, we have carefully divided our infrastructure into different units, where each unit works in coordination with each other to ensure that our customers get only top quality products.
