

We are leading name engaged as Manufacturer, Exporter, Supplier and Retailer of wide range of Carburetor Machining Machines, CHASYS COMPONENTS MACHINES, CNC SPMs, FINE BORING MACHINES and MULTISPINDLE MACHINES etc...

Fine Boring Machine

multi spindle drilling

Special Purpose CNC Machine (948)

CNC Milling and Deburring Machine

Rotary Index Machine

Rotary Indexing Machine (802)

About Patson Machines Pvt. Ltd.

Patson Machines Pvt. Ltd., being a top Manufacturer, Exporter & Supplier of Special Purpose machines, Special Purpose CNC machines, Multi Spindle Drilling & Tapping machines and other heavy-duty machines which conform to OEM standard in terms of overall quality, has been for the last 25 years serving Indian as well as international clients who prefer our various range of machines which feature frugal operational costs, maximum up time and less maintenance requirement. We design Multi Spindle Machines in different configurations with the higher functional efficiency and optimum drilling operation. As our long experience, better expertise, well-equipped infrastructure and proficient engineers empower us to develop technology related to Multi Spindle Heads which prove to be functionally versatile for drilling and tapping holes, so we have been delivery what exactly we promise.
