## About Pioneer Enterprises

Pioneer Enterprises is a prominent and reliable firm engaged in manufacturing and supplying eco-friendly and sustainable plastic cutlery and other products. Our company produces different disposable paper products like paper plates, of different sizes at affordable rates. Our products are of food-grade paper that allows us to consume food hygienically. These plates are completely biodegradable and are available in various shapes and sizes.

### Product Efficiency

We are dealing in different types of disposable paper plates in all sizes like 12 inches, 10 inches, and 8 inches. These paper plates are available in plethora of GSM papers. Based in Howrah, we are one of the upcoming manufacturers to provide excellent quality paper plates. Our products are bio-degradable and eco-friendly, supplied to various businesses and consumers. We keep ample inventory to help cater to customer demand at short notice. We are using high-quality raw materials for manufacturing products to build brand identity.

### Company USP

We manufacture diverse sizes of products at reasonable rates and supply them to the eastern and northeastern of India. We have received a huge number of customers within a short time. Our products are known for quality and price and are readily available at any point in-time. We are offering these paper plates in different ranges and are offering bulk orders to various customers. We are offering our products on varying online platforms at customer-friendly prices.
