

We Poly Chem Tech are a leading and distinguished Manufacturer and Supplier of quality Beverages, Borax Powder, Catalysts and Absorbents, Industrial Chemicals and Micronutrient fertilizer.

Ferrous (Iron) Sulphate

zinc sulphate

Copper Sulphate

Manganese Sulphate

Borax

Magnesium Sulphate
Heptahydrate

About Poly Chem Tech

Poly chem tech is an Indian family owned company, formed in the year 2013 to supply high quality products to the agricultural and industrial sector all across the nation. We supply numerous products suited to high value horticultural, cotton, broadacre cropping and pastoral applications. We can offer professional advice coupled with competitive packaging, blending and delivery with all our products.

Poly chem tech, is the industry association representing manufacturers, importers and distributors of fertilizer in India, and associated service industries. Poly chem tech supply over 95% of the fertilizers used in India. Our products, which supply essential plant nutrients, including Ferrous Sulphate, Copper Sulphate, Manganese Sulphate Powder, Ferrous Sulfate Monohydrate Powder, Potassium Sulphate Powder, Magnesium Sulphate Crystal, Zinc Sulphate Heptahydrate Crystal, Cobalt Sulphate Crystal, Borax Powder, Sodium Hydroxide Flakes etc.

With our entire range that is backed by science, proven in the field, our mission is to be the supplier of choice, providing cost-effective Fertilizer solutions serving the global agriculture community. Our unrivalled expertise, trusted partnerships and commitment to R&D enables us to create value for all. We have invested heavily into the agricultural industry with processing and blending equipment, crushing and milling equipment, soil mapping equipment, bulk trucks and spreaders. Throughout the eastern states we have various sites and processing equipment to enable us provide you with the best product for your application.

Poly Chem Tech premium products provide optimized plant nutrition and are valued for their high efficiency, crop- suitability, low heavy metal content, and high purity. Poly Chem Tech portfolio includes soluble fertilizers for foliar sprays, controlled-release fertilizers and granular fertilizers for soil application. With innovative plant nutrition schemes and highly efficient application methods, Poly Chem Tech solutions provide balanced and precise plant nutrition. This ultimately delivers maximum efficiency, optimal plant development and minimized losses to the environment.

Situated in Vapi (Gujarat, India), we are endowed with a large team of professional experts who are there to comply with any specific requirement of our customers and further ensure that we provide nothing short than timely delivery, reliable customer support, excellent packaging and convenient ordering procedure at all times.

Factsheet

Basic Information

Nature of Business	: Manufacturer / Supplier
Contact Person	: Mr. Azharuddin Khan
Registered Address	: B/05, Param Logistics And Industrial Park, Nanapondha Vapi Road, Opp Bharat Petroleum, Karvad, Vapi, Gujarat
Total Number of Employees	: 6 - 20
Year of Establishment	: 2013
Legal Status of Firm	: Partnership

Sulphate Fertilizers

Zinc Sulphate
Monohydrate

Manganese Sulphate

Copper Sulphate Crystals

Copper Sulphate

Copper Sulfate Powder

Ammonium Sulphate

Sulfur Fertilizer

Zinc Sulphate
Heptahydrate Crystal

Potassium Sulphate
Powder

Magnesium Sulphate
Crystal

Magnesium Sulphate

Ferrous (Iron) Sulphate

Copper Sulphate Crystal

Industrial Chemicals

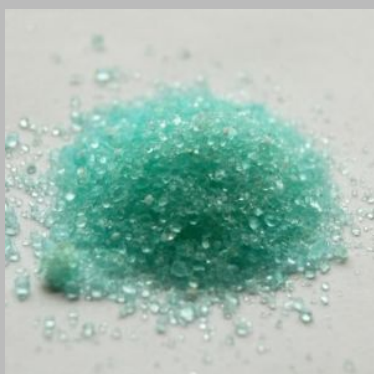

Zinc Sulphate
Monohydrate Powder

zinc sulphate

Sodium Hydroxide Flakes

Ferrous Sulphate Sugar
Crystal

ferrous sulphate crystal

Ferrous Sulfate
Monohydrate Powder

Borax Powder

Borax Decahydrate

Disodium Octaborate
Tetrahydrate

Borax Pentahydrate

Borax

Micronutrient fertilizer

micronutrient fertilizers

Micronutrient Liquid

Manganese Sulphate
Liquid
