About Purva Farm

Purva Farm is a seven-years-old company located in Ponda (Goa). We are serving as a manufacturer, exporter, and supplier of an assortment of items at competitive rates. It includes tree climbers, agricultural shredders, electric chaff cutters, cashew nuts, fruit saat, organ vermicompost, organic vermin bed, ultrasonic pest repeller, and more products. A team of R&D experts is appointed and it performs the quality check after acquiring the raw material. To ensure the best quality outcomes, the raw material is procured from licensed vendors. Hence, you can expect the inimitable quality of different types of products from us.

Purva Farm began its venture in 2014. Mr. Nilesh Prabhu Valguenkar established the company with the key aim to produce and provide the outclass quality products at affordable rates. Ours is a dedicated team of professionals. Their years of experience help us in expanding the clientele cobweb across Ponda. Owing to the collective efforts of the workforce, weve been successful in carving a niche for ourselves in the market.

The Warehouse

We own a commodious warehouse for the production of farm products and other items. The machines installed here work on modern technology. The raw material for producing farm products is processed in these machines that reduce the manual input and offer better results. All the final products are dispatched from the warehouse.

Major Markets

As a promising entity in the market, we understand the modern requirements of clients. Owing to this, our clientele is flourishing at pace. Our major market lies across Goa and nearby areas. Besides, we supply different products to different Indian states as well.
