About Rewabs Industries LLP

Rewabs Industries LLP is a cutting-edge company specializing in the manufacture of special purpose resistance welding machines. Founded by experienced engineers, Rewabs Industries is dedicated to providing high-performance welding solutions for a variety of industries. We not only design and manufacture state-of-the-art welding machines but also supply resistance welding electrodes and spare parts to meet our clients' needs. Our comprehensive range of services includes welding machine consultation and annual maintenance services, ensuring that your production processes are always running at peak performance.
