## About Rishi Chemtrade

Rishi Chemtrade is a promising name in the market of Surat. We are in the business of manufacturing, exporting and supplying superior quality industrial chemicals, industrial acid, dye intermediates and stable bleaching powder. We offer several industrial chemicals such as acetate, bromide, chloride, nitrate, phosphate, sulphate, sodium, calcium hypochlorite, calcium propionate, etc. The industrial chemicals that we offer are widely used in different industrial applications. The industrial acid offered by us is packed using hi-grade packaging. Moreover, our expertise in offering dye intermediates and stable bleaching powder has allowed us to gain a huge clientele all over Surat. We supply and export our products to different industries like food and pharma industry, rubber industry, glass industry, paint and paper industry, chemicals MFG, and dyes & textile. Dial our numbers now to purchase our products.

Rishi Chemtrade is a Surat (Gujarat, India) based company, which is operating in the industry since 2010. The company has been able to achieve many heights of success in a short time under the leadership of experienced mentors.

### Our Clientele

Our industrial chemicals, industrial acid, dye intermediates and stable bleaching powder are widely purchased by many clients in Surat and other cities of Gujarat. Moreover, we export these products to other countries as well.

### Why Choose Us?

With the experience of over a decade, we have been able to become a notable name in the industry by offering high-class products at reasonable prices. You dont need to splurge more while doing business with us.
