About Rishvya Global Exports

About Us Rishvya Global Exports is an Indian-based export enterprise dedicated to delivering 100% natural and organic products to global markets. Our mission is to promote sustainable agriculture, eco-conscious living, and pure organic farming practices worldwide. With roots deeply connected to traditional Indian values, we specialize in the export of organic cow dung, fertilizers, manure, and bio-powder — all derived from natural sources without any harmful chemicals or synthetic additives.

Our Commitment We believe purity begins at the source. Each product we deliver undergoes stringent quality control, ensuring it meets international standards for sustainability, hygiene, and authenticity. Our production and packaging processes are designed to maintain freshness and eco-integrity at every stage.

Our Vision To establish Rishvya Global Exports as a trusted international brand known for authenticity, sustainability, and organic excellence — empowering farmers, enriching soils, and nurturing a healthier planet.

Our Mission To make India's organic treasures accessible to the world, by consistently offering pure, chemical-free, eco-friendly agricultural solutions with integrity and innovation.

Core Values ? Purity — 100% natural and organic sourcing ? Sustainability — Eco-conscious practices for a greener earth ? Trust — Transparent and ethical export processes ? Quality — Global-grade standards in every product ? Tradition & Innovation — Blending Indian heritage with modern excellence

Key Products: Organic Cow Dung & Manure Bio Fertilizers & Soil Enhancers Natural Bio Powders Eco-friendly Agricultural Inputs ?

Founders Note By Rishi Kumar Mishra Rishvya Global Exports “At Rishvya Global Exports, my vision has always been simple — to bring the purest and most natural products from India to the world. Growing up close to nature, I witnessed the power of organic farming and the positive impact it creates on soil, crops, and human life.
