## About Roice optical

Roice Optical was established in the year 2010 in Delhi, India. We are a manufacturer and distributor of products such as spectacle cases, plastic optical hard cases and a lot more. The products of our company are quality tested at every stage to ensure that meet the needs of our customers.

Our packaging experts use premium quality material to pack the products to ensure their safe transit. Furthermore, our logistics personnel make sure that the consignments are timely delivered to the client's destination using easy modes of transportation.

Under the notable tutelage and visionary guidance of our experts and professionals, we have consolidated our position in the market. Their brilliant managerial skills, zeal to maximize client satisfaction and in-depth knowledge have enabled us to carve a remarkable niche in the industry.

### Our Infrastructure

We have established a state-of-the-art infrastructure facility at our premises to execute the business processes in a streamlined manner. Sprawling across an extensive area, this facility is installed with high-tech machines and equipment that enable us to utilize the resources judiciously thus, making our range cost-effective.

The high production capacity of our facility helps us in retaining an excellent production rate. Moreover, to manage this facility, we have hired highly experienced and trained professionals.

We take orders from customers all around the globe and deliver them to our customers always on time. Choose us and order from us today.
