About Rumax International Private Limited

Established in 2007, We Rumax International Private Limited are a reputed firm, betrothed in import and export, manufacturer, wholesaler and distributor of an extensive range of Auto Ref(ker)ractometer, Auto Lensmeter, A-Scan Machine, Auto Lens Edger, Ophthalmic surgical Microscope, Non-Contact Tonometer, YAG Laser, Motorized Table, B scan machine, LED Vision Chart, Digital Phorophter, Slit Lamp, Ophthalmoscopes and Retinoscopes. These products are developed by vendors who employ advanced technology and optimum quality material to develop these products as per patrons and industry demand. Vendors source material from trustworthy sellers of industry who have prosperous industry practice and acquaintance. To keep the quality as per industry standards, these are made at industry allowed manufacturing unit, which is divided into many sections such as quality testing unit, manufacturing unit and warehouse. Being a customer oriented firm, we believe in understanding the specific necessities of our valued patrons. Members of our expert team put together their sincere and hard efforts to provide the entire series of presented products with promised set of time span. Due to our vendors support, we have been proficient to cater to the dissimilar demands of the patrons in the most proficient way. Our vendors hold distinction in their respective realm. Our vendors are also connected with logistic organizations that enable them to make timely delivery at our location, which further makes us fulfill necessities of our customers on time. Vendors, associated with us are strictly selected on the some cited parameters such as credibility, infrastructure setup competent to meet bulk demands and ethical business practice. We are working under the instructions of our mentor Mr. Rajendra Gupta. Under his instructions, we have achieved our objectives, targets and aims. Our mentor has years of practice of this realm.
