About SK Hitech Nursery

SK Hitech Nursery is over a decade old organization from Latur (Maharashtra) that is engaged in the production of different kinds of nursery plants. We serve as the foremost manufacturer and supplier of premium quality fruit plants, garden plants, forest plants, red rose plants, and white rose plants. We make these products available in different varieties, sizes, and quantities as desired by our valuable clients, which primarily include households, hospitals, hotels, restaurants, farm owners, etc. The production of these nursery plants takes place at our well-furnished nursery, where several quality control tests are implemented to ascertain that only the finest plants are made available for the buyers.

The company has been led and managed by Mr. Shaikh Khajaminya, who is the Owner of SK Hitech Nursery. Mr. Jays Khajaminya is a well-qualified professional with immense experience in the domain of nursery plants' manufacturing and trade. Our company came into being in the year of 2006.

Why Us

Being one of the trusted firms in the industry, we are engaged in providing high-quality nursery plants. Following are some important factors behind our success:

Healthy plants

- Timely delivery
- Rich vendor base
- Easy payment options
- Strict adherence to quality norms
- Experienced team of professionals
- Complete client satisfaction

Our Team

We have a team of skilled professionals that has been working hard to provide the best to the clients. Our team has vast knowledge in agriculture sector, making the company able to provide high-quality nursery plants. Our quality controllers ensure the quality of the plants according to the laid quality norms.
