

We S.N. Scientific Solution are a leading and distinguished Manufacturer, Exporter, Supplier, Trader and Importer of quality Aluminum Plates, Bowls, Buckets, Calipers and Clamps.

Cement Sampler

Blaine Air Permeability Apparatus

Vicat Needle Apparatus

Gillmore Needle Apparatus

Vee Bee Consistometer

Slum Cone Test Apparatus

About S.N. Scientific Solution

About us

S.N. Scientific Solution, based in Delhi (India), was established in the year 2019. Founder, Mr. Sajid Saifi, has set up new benchmarks in the exporting and manufacturing of a broad range of Laboratory Equipment, Cement Testing Equipment, Concrete Testing Equipment, Soil Testing Equipment, Bitumen Testing Equipment, Aggregate Testing Equipment, Rock Testing Equipment, and Steel Testing Machine, etc.

We have set up an advanced manufacturing unit and are equipped with the latest machines based on new technology and allow us to give unmatched quality. Being a client-focused company; we always try to give utmost satisfaction to the clients in the way possible. Apart from manufacturing a wide range of equipment, we also give after-sale service to help our customers in repairing and installation.

We strive hard to answer the needs of the clients with the product collection. Our products are answering the Indian and global standards. We believe that our wonderful success belongs to our expert team members and engineers who have placed their best efforts in the growth of the business.

Our machinery is made cautious and supplied with a cost-effective price guarantee, excellent warranty service, and trustworthy after-sales repair and safeguarding support. With S.N. Scientific Solution you can furnish your laboratory with high-quality laboratory equipment that offers true test results, a simple process, and long working life.

Factsheet

Contact Person	: Mr. Sajid Saifi
Registered Address	: Shop No-41 1st Floor DDA Mini Market Tulsi Nagar Near Govt School, delhi
Total Number of Employees	: Below 20
Year of Establishment	: 2019
Legal Status of Firm	: Individual (Sole proprietorship)

Testing Equipments

Tile Abrasion Testing Machine

Steel Impact Testing Machine

Semi Automatic Penetrometer

Rock Hoek Triaxial Cell

Rock Compression Test Load Frame

Pocket Concrete Penetrometer

Laboratory Apparatus

Length Compactor

V Funnel Apparatus

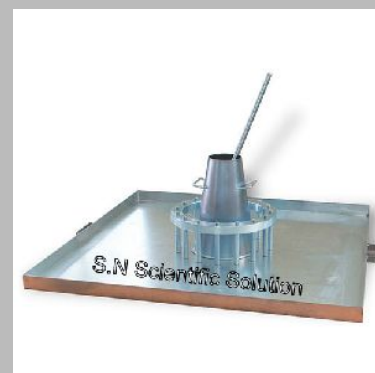

U Shape Box Apparatus

Sand Density Cone Apparatus

Ring & Ball Apparatus

J Ring Test Apparatus

Laboratory Equipments

Universal Water Bath

Gyratory Sieve Shaker

Rectangular Water Bath

Double Wall Water Bath

Compression Testing Machine (CTM) (Hand & Digital)

Soil Testing Equipment

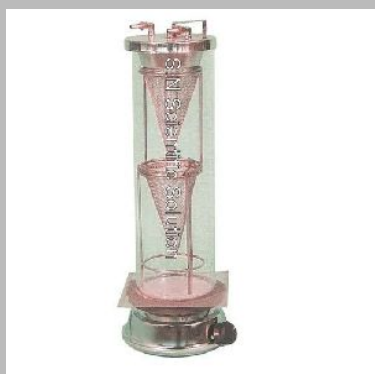

Soil Permeability Apparatus

Semi Automatic Cone Penetrometer

Sand Content Kit

Reflux Extractor

Plummet Balance

Plate Load Test Equipment

Slum Cone Test Apparatus

Marshall Stability Test Apparatus

Ductility Testing Apparatus

Cement Sampler

Jigs, Casting Dies, Die Casting Moulds & Moulding Tools

Standard Penetrometer

Cube Mould 70.6mm

CBR Mould

CBR Accessories

Viscosity Instruments

Marsh funnel

Manual Liquid Limit Device

Bitumen Viscometer

Concrete Testing Equipment

Vee Bee Consistometer

Flow Cone

Capping Set

Measuring Instruments & Equipment

Vicat Needle Apparatus

Sand Pouring Cylinder

Benkelman Beam
