About Sahu Tea Company

Sahu Tea Company, based in **Lucknow, Uttar Pradesh**, has been a reputable **supplier and trader** in the tea industry since its inception in **2001**. With a rich portfolio of tea varieties, we cater to a broad spectrum of tea lovers and commercial clients, providing high-quality teas that meet diverse preferences and needs. Our founder, **Mr. Krishnavishal Sahu**, envisioned a company that would bring the finest teas from across India to tea enthusiasts everywhere, and we have stayed true to that mission.

We specialize in a wide range of CTC (Crush, Tear, Curl) teas, including Assam Dried CTC Tea, Utsav CTC Tea, and Premium CTC Tea, among others. Our CTC teas are known for their robust flavor and deep color, making them ideal for traditional chai preparation or as a strong standalone brew. Along with our CTC teas, we offer a variety of Assam teas, such as Assam Orthodox Tea, Assam Green Tea, and BP Assam Tea. These teas embody the unique characteristics of the Assam region, offering a rich and distinctive taste.

In addition to CTC and Assam teas, our product line includes Loose Tea, Nilgiri Black Tea, Tea Dust Powder, and a selection of specialty teas like Masala Tea, Organic Herbal Tea, and Darjeeling Leaf Tea. We also provide unique blends like Cardamom Tea, which adds an exotic twist to your tea experience.

At Sahu Tea Company, we prioritize quality and customer satisfaction. We source our teas from reputable plantations and ensure that each batch meets our high standards. Our commitment to excellence has allowed us to build long-term relationships with clients who appreciate our diverse selection and reliable service.
