About SAI INDUSTRIAL STORAGE SYSTEMS

About us, Based in the capital of Uttar Pradesh, i.e. Lucknow, we, Sai Storage Systems have been successfully serving the needs of companies engaged in the production and storage of goods since 2008. Our company is manufacturing, exporting, and supplying a huge variety of Display racks, Cable Trays, Multi-Tier Racks, Pigeon Hole racks, Garment Display Racks, Heavy Duty Racks, etc., in different sizes, dimensions and designs. All these goods are best known for their corrosion-resistant ability, accurate dimensions, ability to bear high strength, and spacious storage capacity. All our products are made using high-grade stainless steel, steel, and other material in compliance to set industry standards. Our modern and well-equipped infrastructure empowers us to produce goods to the specified needs of the clients, thus fulfilling all their expectations. Our infrastructure is incorporated with a sound production facility handled by a diligent workforce that ensures the systematic fabrication of storage & filling systems. Further, our quality experts make sure that products are delivered to the clients only after thorough quality examination.

UNPARALLELED QUALITY OF ALL RACKING SYSTEMS At Sai Storage Systems, we have committed ourselves to deliver sheer perfection in the form of quality made Display Racks, Heavy Duty Racks, Garment Display Racks, Medicine Racks, Cable Trays, Slotted Angle Racks, and other products by sourcing only supreme-grade metal, and iron sheets, accessories, fasteners, and other industrial components. We have tied relations with authentic manufacturers for getting large quantities at reasonable rates. We check every Panel, Bracket, Pillar, and Angle based on design, structure, and gauges, and after a complete analysis of the product being made as per specifications, it is further packed and dispatched. All material is offered in powder-coated material.
