About SAKSHI TRADERS

One of the top producers of plastic goods worldwide, Sakshi Traders also produces woven bags. Pp Woven Bag, Pp/Hdpe Woven Bag, Pp Bopp Lami Woven Bag. and bags are products that our Maharashtra-based business has been producing and supplying since 2018. In addition to polypropylene, LDPE Bags , Sugar Bags, we also offer a broad selection of Laminated Pp With Paper. We manufacture bags for a variety of uses, such as packing for food, chemicals, and crops. Along with a dedication to quality, Sakshi Traders also places a high priority on invention. We collaborate closely with our clients to create specialised solutions that satisfy their unique demands and specifications. We develop novel goods that are both durable and sustainable using cutting-edge technology and components.

We have a group of highly qualified specialists who collaborate closely with our clients to make sure that their requirements are satisfied and that their expectations are surpassed. To ensure that our customers are happy with our goods and services, we offer personalised solutions, prompt shipping, and excellent customer support. With a strong emphasis on quality, creativity, sustainability, and customer service, Sakshi Traders is a well-known maker of BOPP bags, sewing threads, woven fabric rolls, sewing machines, HDPE bags, and other products. Our dedication to these principles has enabled us to forge enduring bonds with their clients and to forge a strong position in the global market.
