About Sam Seals India

Welcome to SAM SEALS INDIA Manufacturing of Mechanical Shaft Seals and Component Established in the year 2012, we are an eminent manufacturer and supplier of vast array of quality-approved Mechanical Shaft Seals. In this range we offer Stationery Mounted Spring Seal, Single Coil Spring Balanced Seal, Teflon Bellow Seal, Welded Ends Metal Bellow Seal and Single Coil Spring Unbalanced Seal. Furthermore, we our range comprises products such as Multi Spring Reversed Balanced Seal, Multi Spring Balanced Seal, Multi Spring Unbalanced Seal, Spring Unbalanced Seal, Elastomer Bellow Seal, Rubber Bellow Seal and Cartridge Seal. The offered products are fabricated using premium quality raw material and latest technologies, in accordance with the set international quality standards. These products are fabricated in different sizes and specifications, to deal with the diverse requirements of the clients efficiently. Furthermore, we also offer customized range of this products in order to fulfill specific demands of our clients. The offered products are widely acknowledged for their fine finish, accurate dimensions, durability, anti-corrosion and capacity to bear high temperature The offered range is prominently used in various application areas such as Petrochemicals, Petroleum refinery, Light Hydrocarbons, General Industrial fluids, Hot & cold-water pumps, Oil pumps, Refrigeration compressor, Fuel injection pumps and Waste water pumps. Furthermore, the offered products can be used efficiently to handle corrosive chemicals, hydrocarbons, general and light chemicals. The utmost priority of our organization is to deliver premium quality products at cost-effective prices to our valuable clients. In order to provide error free products, we thoroughly examine our fabricated items on various certain parameters. With the immortal support of our diligent team, we are heading forward on the path of success. Our team understands the needs the clients and offer products as per the same. Furthermore, our sound infrastructure helps us in developing quality-approved products as per the set international standards. The large production capacity of our production unit, enables us to deal with the quantum demands of the clients within minimal time frame. Besides, we are able to deliver products on client's end within set time frame, owing to our widespread distribution network. Moreover, we have established ourselves as a client-centric organization across the Indian Subcontinent, owing to our transparent business policies. With the immortal support of our mentor, 'Mr. Sameer we have been able to survive through cut-throat competition, present in the domain efficiently. His commendable knowledge, enthusiastic and ambitious attitude have helped us in coordinating and managing all the business activities in a streamlined manner Our Infrastructure We have constituted an ultramodern infrastructure at Mumbai, Maharashtra, India. Our infrastructure has been intellectually designed to fulfill the diverse and specific demands of clients. It is well-equipped with all the requisite amenities and sophisticated technology, that help us in manufacturing an accomplished range as per the set international quality standards. Moreover, all the available resources and machines are operated by skilled professionals, who make sure optimum utilization of the same. Our large production capacity enables us to manufacture colossal amount of products within minimal time frame. Along with this, our capacious warehousing facilitates us to deal with the urgent demand

of our clients. To ensure smooth and uninterrupted production process we have bisected our infrastructure in following units. • Designing unit • Manufacturing unit • Quality control unit • Storing unit • Packaging unit • Procurement & marketing unit

Factsheet

Basic Information

Nature of Business : Manufacturer / Exporter / Supplier

Contact Person : Mr. Sameer Khorajia

Registered Address : Unit 3, Joshi & Qureshi Compound, S V Road, Behind Himalaya Hotel,
Mumbai, Maharashtra

Total Number of Employees : Below 20

Year of Establishment : 2011

Legal Status of Firm : Individual (Sole proprietorship)
