About Shabana Plastics

Based in the prime location of Pune (Maharashtra), we, **Shabana Plastics**, are pleased to introduce ourselves as a trustworthy manufacturer, wholesaler, and exporter of best quality plastic end caps, plastic tokens, plastic bushes, plastic building blocks, ludo plastic pawns, plastic washers, and many more. Manufactured using premium grade PP, HDPE, LDPE, PVC, and allied materials, our entire range is of unmatched quality and confirms the set quality control standards. We have in-built hi-tech manufacturing and quality testing facilities which enable us to execute our production process in a systematic manner following the best manufacturing guidelines.

Our Infrastructure:

In this modern time, an advanced Infrastructure is very essential for the faster growth of a business. We own a state-of-the-art infrastructure consisting of a world-class manufacturing facility. With modern machines, skilled, reliable, & consistent manpower, an excellent power source, and well-defined systems in our infrastructural facility, we are able to carry out the production process smoothly without any hassle. Our infrastructure plays a great role in increasing our production rate, helping bring down operation costs, and accelerating the standardization of our product quality.

Our Strengths:

The important points that have given us a competitive edge in the market are mentioned below:

We provide quality assurance with complete customer satisfaction. We believe in perfect professional management. A total quality management system is followed at Shabana Plastics. We hold immense domain expertise. We are always available with adequate stocks of every item that we offer. We are committed to delivering our orders within the stipulated time period.
