

We are leading name engaged as Supplier, Trader and Manufacturer of wide range of Capsule Filling Machine, Colorimetric Analyzer, Conductivity Meter, Crushing Machine and Digital Counter etc...

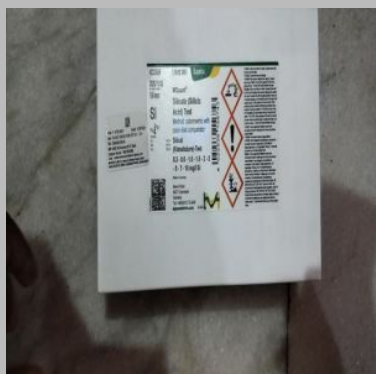

Gloss Meter Tester

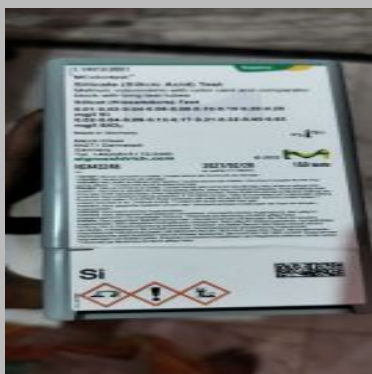

High Temperature Hot Air Oven

Muffle Furnaces

Silica Test Kit

1.14410.0001 Silica Test Kit

Shimadzu Moisture Analyzers

About Shakuntla Scientific Traders

Shakuntla Scientific Traders is known to offer quality, variety and affordability through its Laboratory instruments and other products. Laboratory Chemical, Ultra Sonic Bath and Hygrometer are to name a few from our large product portfolio that is highly demanded in the market for more than its quality, variety and affordability. For instance, we assure our products rank high on reliability, performance efficiency and precise results. Though we manufacture our products, but we are also into trading. In addition, we offer Third Party Manufacturing Facility, as well. The entire credit for excellence in this domain goes to our modern infrastructural facility established in New Delhi, India, which also provides us the proximity to easily trade and source.
