## About Shivani Murti Kala Kendra

At Shivani Murti Kala Kendra, we carve divinity into every block of marble, transcending the mundane. Our adventure, a celebration of spirituality and craftsmanship, started a year ago in the charming town of Alwar, Rajasthan. We cordially welcome you to explore the magical realm we've created, where gods find a place on Earth, as we commemorate our first anniversary.

### **Crafting Deities in Stone: A Reverent Artistry**

Stone is given life by our artists amid the dusty environment of Alwar. They create gods with dedication, their deft hands echoing centuries of tradition, each stroke a homage to the almighty. Our aim, to immortalise gods in the everlasting embrace of marble, is found in the rhythmic tap of chisels.

### **Our Marbles, Our Heritage: Sourcing the Finest Stones**

We choose each slab from the vast quarries of Rajasthan for our studio, guaranteeing that the soul of the area's rich geological past permeates our creations. To preserve the history ingrained in every square inch of the stone, each sculpture tells a geological story and takes the viewer on a trip through time.

### **Beyond Art, Beyond Boundaries: A National Presence**

There are no limits to our art. Across the country, our marble idols have found abode beyond the lively alleys of Alwar. Weaving a thread that unites countries, faiths, and hearts, our masterpieces are ambassadors of workmanship, found in everything from exquisite galleries in far-off lands to holy temples in India.
