## About Shlok Enterprise

We are widely recognized as manufacturer and exporter of a huge variety of minerals, chemicals, talcum powders, and many other products. These products are used in a variety of construction applications and various industries. Shlok Enterprise is ranked amongst the trusted manufacturers, exporters and suppliers of talc powder. & industrial processed minerals that include red iron oxide, yellow iron oxide, talcum, natural red oxide powder, magnesium oxide (mgo), synthetic black iron oxide pigments, synthetic brown iron oxide pigments, soapstone powder, talc powder, kaolin china clay, yellow ochre powder, red ochre powder, barium sulphate, dolomite powder and other processed minerals. Incorporated in 2007, in Mumbai (Maharashtra), we have earned excellence under the gifted headship of Mr. Sahill Kathuria (CEO). We process the talc (magnesium silicate hydroxide) from high-grade raw material. They are processed with the help of hi-tech machines and technologies. Our group : We are a part of the well-renowned group Sangam, established in 1965. Sangam deals with studio accessories & studio backdrops and manufacturing of processed mineral powders started and owned by Mr. H.K.L. Kathuria. Later in 2007, we were incorporated to support the group that is engaged in manufacturing mainly refractory minerals that are traded all across the globe under the guidance of the knowledgeable CEO, Mr. Sahill Kathuria, grandson of Mr. H.K.L. Kathuria.
