## About SHREE JI STEEL PRIVATE LIMITED

The commencements of shree ji steel corporation, the quickest growing manufacturer, supplier, exporter, importer, and trader firm for the matchless range of iron & steel and hardware goods, are traced in the year 1978. We are now an iso 9001:2008 certified company. Today, we have enriched as a globally trusted business attempting a broad assortment of steel products, including tmt bars, m.s. Angle and m.s. Flat bar. Due to the advantageous properties of our products such as precise design, easy installation, low maintenance, immunity to stress, corrosion and cracking and prolonged service life, we have become a committed entity for an immense clientele across the globe. We make steadfast attempts to garner the precise requirements of our customers from various industries comprising fabrication, engineering, steel plant, aerospace, foundry & casting, chemical & fertilizers, petrochemical and defense. We think our substantial product knowledge and constant focus to quality earned us the tallness of activities. In order to strengthen the inflexible approach towards operational analysis, we have included preeminent improvements in our production and r&d facilities. In addition, we carry great pride on being the reliable partner of clients from south east asia and africa.
