## About shreeji plastomech pvt. ltd

Being a remarkable manufacturer and supplier, Shreeji Plastomech Pvt. Ltd has been catering to a large client base demanding premium quality machines, extrusion lines, mono filament plants worldwide.

Our organization is one of the highly acknowledged companies that are manufacturing, exporting, and supplying the optimum quality machines and extrusion plants. The firm came into operation in the year 2007, Bhavnagar Gujarat under the guidance of our esteemed CEO, Mr Manthan Patel.

To make this company a world leader offering a premium range of machines, he has driven us through to an enviable position. He has an incredible industry experience.

### Our Quality Approach

Our whole range of machines is manufactured by using excellent quality raw materials procured from authorized and certified vendors. Our range of machines and plants are highly appreciated owing to their reliable operations and excellent performance. All our machines are also quality-checked before dispatch. Customers can buy highly reliable machines at a fair price range.

### Our Manufacturing Unit

We have a huge, well-equipped manufacturing unit. We upgrade it from time to time as per industrial standards and development. The unit has several departments a warehouse, quality control, research and development, logistics, and packaging. This helps us operate smoothly in the industry.

### Why Us?

Our firm is termed the most reliable owing to the following main factors:

Worldwide reach

Qualitative machines

Reasonably priced

Guaranteed performance

Moral business practices

Timely Delivery
