## About Shri Narayan Industries

Since we laid our foundation in 2017, Shri Narayan Industries has made a name for itself as a reliable and trustworthy manufacturer of various industrial items. We have become one of the acclaimed manufacturers from Aligarh in Uttar Pradesh under the vigilant eyes and benevolence of our founders, Mr. Narayan Prajapati and Mr. Abhishek Kumar.

We are known for the excellent quality of our products which are extremely durable and strong. Our premium quality has made us one of the most sought-after manufacturers who have the most competitive prices in the industry. With this, we have been able to amass a great client base all over the globe.

Our product portfolio has a huge range of items like various types of junction boxes, conduits and their accessories and parts, saddles, inspection bends, couplers, etc. Here in our list are included many varieties of the above-mentioned products.

We manufacture our products as per the rules, regulations and norms of the industry that are laid down by the government of the land. But we also take care to meet the international standards to serve our overseas clients.

Prompt delivery and services are also another aspect that makes us a name that people have come to trust in the industry. Apart from this, every item is manufactured from the best raw materials that are acquired from the best and most reputed vendors in the country. You can always trust us to deliver the best to you.
