## About Sri Amman Enterprises

We are trusted and reputable supplier of high-quality Magnesite and refractory raw materials. With years of experience in the industry, we specialize in providing premium-grade Magnesite products that meet the demanding needs of steel plants, foundries, furnace manufacturers, and various industrial applications. Our commitment to quality, reliability, and customer satisfaction has made us a preferred partner for businesses seeking consistent and efficient refractory solutions. We source and supply Magnesite with excellent purity, high thermal stability, and superior performance characteristics, ensuring it meets both domestic and international standards. we focus on:

- Supplying Dead Burnt Magnesite (DBM), Calcined Magnesite, and other related refractory products
- Maintaining strict quality checks for every batch
- Providing timely delivery and competitive pricing
- Building long-term, trust-based relationships with our clients

With a customer-centric approach and a strong commitment to excellence, we continue to serve as a reliable partner for industries requiring dependable Magnesite solutions.
