## About SRP INFOTECH

SRP INFOTECH, a distinguished name in the realm of laboratory products and installation services. Established in the vibrant city of Navi Mumbai, Maharashtra, in the year 2023, SRP INFOTECH is the brainchild of Mr. Abhijit Ankush Sarangule, a visionary entrepreneur committed to providing cutting-edge solutions in the field of scientific equipment and technology installations.

As a leading manufacturer and supplier of laboratory products, we take pride in offering a diverse range of high-quality equipment that caters to the evolving needs of scientific research and experimentation. Our product portfolio includes top-notch items such as Bakery Ovens, BOD Incubators, and Laminar Air Flow systems, meticulously designed to meet the rigorous standards of modern laboratories.

In addition to our core offerings, SRP INFOTECH extends its expertise to a comprehensive suite of installation services. Our seasoned team specializes in the seamless implementation of Surveillance Systems, Fire Alarm Systems, Solar Power Plants, Water Heaters, Electrical Panels, and Society Intercom Systems. With a commitment to excellence, we ensure that each installation meets the highest standards of safety, efficiency, and reliability.

At SRP INFOTECH, customer satisfaction is at the heart of everything we do. We understand the importance of a reliable and functional laboratory setup, as well as the significance of secure and advanced technology installations. Our dedicated team of professionals is driven by the passion to deliver unparalleled services, ensuring that our clients receive the best value for their investment.

Beyond our commitment to quality products and services, SRP INFOTECH takes pride in fostering lasting relationships with our clients. Whether you are in need of laboratory equipment or seeking top-notch installation services, we invite you to experience the excellence that defines us.
