About Tailorbird Trading Pvt. Ltd.

Tailorbird Trading Pvt. Ltd., founded in 2012 as a sole proprietorship organisation, is a leading provider and trader of a large assortment of Roofing Sheets, Steel Roofing Mushroom Washer, Ricron Plastic Sheet, Aerocon AAC Block, and so on. We have built a large and effective infrastructural facility in Kozhikode, Kerala, that plays a vital part in the expansion of our organisation. We offer these items at competitive prices and deliver them within the time range specified.

Our Infrastructure:

Our company is outfitted with cutting-edge infrastructure that allows us to meet the bulk and quick needs of our clients. Our production sites, which are spread across a broad amount of land, are well-equipped with all the newest equipment and technology to provide a high-quality selection of Structural Items.

Our Vision:

In the following years, the firm hopes to establish a brand identity, goodwill, and an everlasting impact on its clientele. Tailorbird Trading Pvt Ltd will provide an ideal combination of the production and service sectors, and along the way, we hope to build a highly competent and creative corporate family that will number in the thousands.

Why Us?

We have earned a reputable standing in this industry by our competence and integrity. Among the many aspects for which we have gotten positive feedback from customers around the nation are:

- Product range with guaranteed quality
- Expert competent team

- Business ethics policies
- Client-centred strategy
